

A KID'S GUIDE TO FUN IN CENTRAL FLORIDA

WELCOME!

We're sure you're ready to get out and explore, but first we'd like to tell you about the place your parents have just brought you to, and why we say **THE REAL FLORIDA MAGIC IS HERE.**

In Central Florida, you'll see cool animals, pretty flowers and lots of natural beauty all around you. You'll also splash down on waterslides, ride on the back of a real camel and thrill to exciting attractions—like the amazing Peppa Pig Theme Park located steps from LEGOLAND® Florida Resort's front gate.

In the meantime, this book has plenty of things to keep you entertained in the car or while you're in your hotel room just trying to get some sleep before another day of adventure. So... have fun. That's what a vacation in Central Florida's Polk County is all about anyway!

STICK TAC TOE

CAR GAMES

STUCK IN A CAR? Instead of asking "Are we there yet?" every five minutes, try out these games.

ABC GAME

Look for billboards, signs or license plates that begin with each letter of the alphabet (in order). Once a word has been named, nobody else can use it! The first person to go through the entire alphabet wins.

CATEGORIES

Choose a category (reptiles, candy bars, things with wheels, etc.). Players go around naming items in that category. When you can't think of any more, you're out!

BUT/SO

If you like making up stories, you'll love this game. Each person says one line of a story, but there's a catch: Each line has to start with "But" or "So"! Keep going until the story ends or nobody can think of another line.

TWENTY QUESTIONS

This is a classic! One person thinks of something, and the rest of the car has 20 "yes/no" questions to guess what it is.
